

NZOPT conference

Designed to fit smoothly with orgaNistZ 2021, this year's NZOPT Conference will be run in tandem. The NZOPT events are immediately before the Festival (Friday afternoon) and immediately after (Monday afternoon), and include a line-up of exciting speakers.

We are delighted that the first speaker on Friday will be the Property Lead from Old St Paul's/Heritage NZ. She will give conference attendees a deeper appreciation of this marvellous heritage building and what recent major earthquake strengthening meant for the organ when they attend the Festival recital on Sunday.

On Monday hear about the dramatic rescue of the 1879 Halmshaw organ right on Christmas during demolition of the Cathedral of the Blessed Sacrament (Christchurch). All orgaNistZ registrants are welcome to attend the Halmshaw presentation (even if they haven't also registered for the NZOPT conference).

Don't miss this fabulous opportunity to extend your experience at orgaNistZ 2021

New Zealand's political and cultural hub is indeed a sophisticated destination. The coastal city is renowned for its coffee and café culture and holds the enviable status of New Zealand's craft beer capital!

We are thrilled to invite you to join us at orgaNistZ 2021 from June 4-7th for a weekend of musical delights, friendship and chatter.
